SAI SREE INFRA DEVELOPERS For over 15 years, SSID has been a leader in providing the educational lab equipment's .we have an extensive line of solutions for education sector. With the vast expansion in the business of various

“ SAI SREE IS SINGLE PLACE SOLUTION TO FULL FILL ALL YOUR NEEDS WITH HIGH QUALITY ”

The company deals with complete educational lab equipment's For engineering collages, polytechnic collage, ITI collages and also for medical collages. And also serve furniture to all labs and collages.

As SSID is committed to serve all over the world and emerge as a market lander

- ▶ We Prefer Customer Satisfaction.
- ▶ We supply the products with high quality.
- ▶ We have high skilled employees with qualifications.
- ▶ We prefer the quality products in best price.

AS ISO 9001:2015 CERTIFIED COMPANY

- ▶ To be a global lander of lab equipment
- ▶ We will achieve this by enhancing customer satisfaction based on esearch, modern manufacturing techniques and continuous mprove-ment in quality of the products and the services.
- ▶ The key drivers to growth will be focus on employees andcustomers,

SALES AND SUPPORT

Every SSID sales person is a skilled and aligned team member who works with integrity and passion-ality engages with each customer in creating solutions that make an irresistible future for them.

SOCIAL RESPONSIBILITY

We protect and improve the situa-tion of poor children. Our commit-ment is to help them in their edu-cation and supporting a sustaina-ble society

We Provide Solutions to your Business

- ★ IIT, NIT, IIT & Engineering Colleges
- ★ Polytechnic, ITI & Craftmen Trainers
- ★ Science Colleges & Vocational Training
- ★ Women Empowerment Institutes
- ★ Schools & Skill Development Institutes
- ★ Research Institutes
- ★ Agriculture Universities
- ★ Environmental Science Institutes
- ★ Industrial Product Development
- ★ Apprenticeship Training
- ★ Embedded Project Lab
- ★ Training on Embedded Application

TAL BRABO!
Power Your Future
A TATA PRODUCT

India's first indigenous
INDUSTRIAL-ARTICULATED ROBOT

SRC: zeenews.india

BRABO! - Expertise Across Industries

Adaptable to specific needs - whatever your industry or sector, chances are BRABO! can be of service, if your manufacturing process involves repetitive mechanical movements

BRABO! Friendly Sectors and Industries

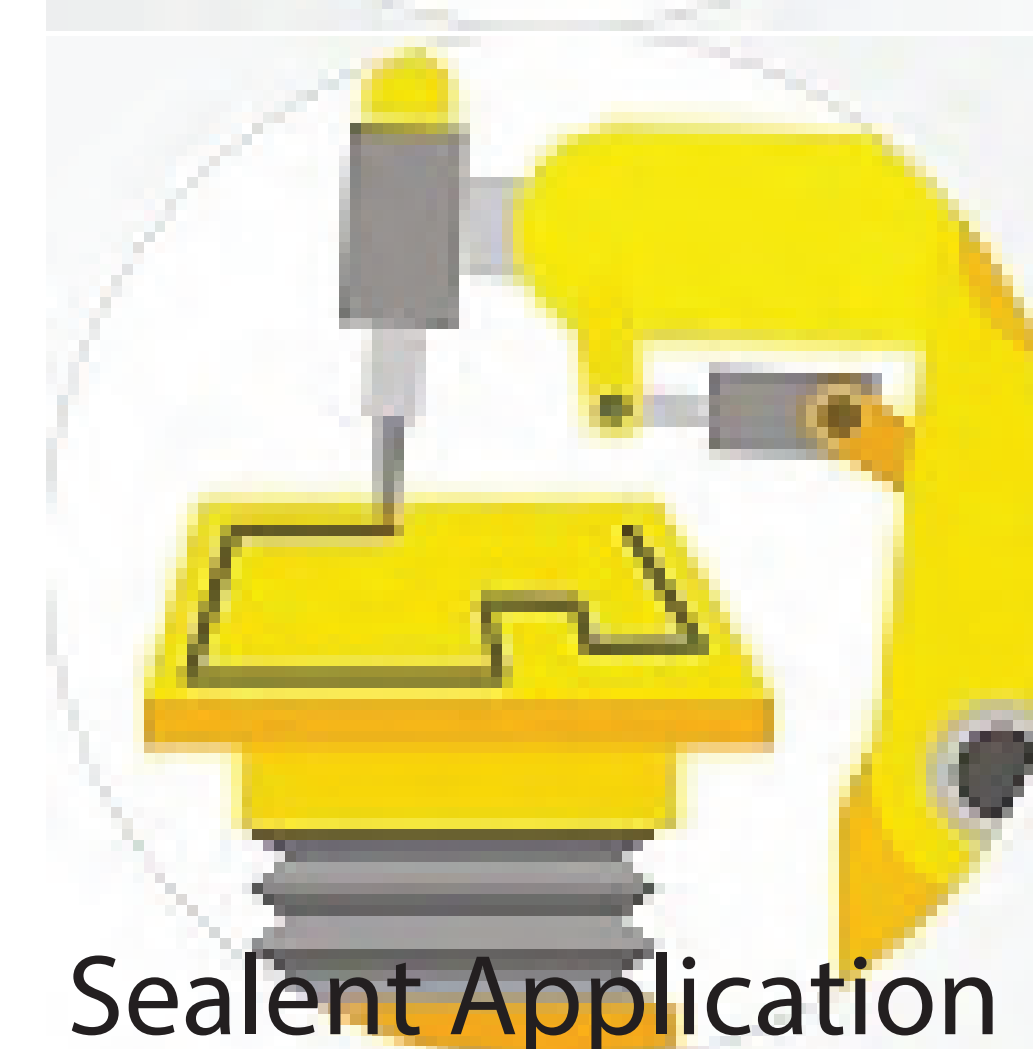

Ideal for Automotive, Electronics, Castings, Forgings, Machine Tending, Plastics, Food & Beverage, Pharma, Logistics, Warehousing & Educational applications.
